**Trusted. For Life.**

Get ready for a new level of care in West Michigan.  
**Get ready for the new Mercy Health.**

We are a partnership of hospitals, physicians and other health care providers that are working together for you. Our mission is to strengthen the care in your community, increase your access to experts and advanced services, and give you a greater voice in your own care. We'll be even more focused on understanding you, your life and your needs. And our job won't be done until we've made the best decisions, together. Get ready to experience health care that works for you — and with you.
