NOTICE OF PRIVACY PRACTICES

Effective Date: April 14, 2003
Revised: September 23, 2013

THIS NOTICE describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

Mercy Health and Mercy Health Physician Partners ("Mercy Health") is required by the Health Insurance Portability and Accountability Act of 1996, and the Health Information Technology for Economic and Clinical Health Act (found in Title XIII of the American Recovery and Reinvestment Act of 2009) (collectively referred to as "HIPAA"), as amended from time to time, to maintain the privacy of individually identifiable patient health information (this information is "protected health information" and is referred to herein as "PHI"). We are also required to provide patients with a Notice of Privacy Practices regarding PHI. We will only use or disclose your PHI as permitted or required by applicable state law. This Notice applies to your PHI in our possession including the medical records generated by us.

Mercy Health understands that your health information is highly personal, and we are committed to safeguarding your privacy. Please read this Notice of Privacy Practices thoroughly. It describes how we will use and disclose your PHI.

This Notice applies to the delivery of health care by Mercy Health and its medical staff in the main hospital, outpatient departments and clinics. This Notice also applies to the utilization review and quality assessment activities of CHE Trinity Health and Mercy Health as a member of CHE Trinity Health, a Catholic health care system with facilities located in multiple states throughout the United States.

I. Permitted Use or Disclosure

A. Treatment: Mercy Health will use and disclose your PHI to provide, coordinate, or manage your health care and related services to carry out treatment functions. The following are examples of how Mercy Health will use and/or disclose your PHI:
   ♦ To your attending physician, consulting physician(s), and other health care providers who have a legitimate need for such information in your care and continued treatment.
   ♦ To coordinate your treatment (e.g., appointment scheduling) with us and other health care providers such as name, address, employment, insurance carrier, etc.
   ♦ To contact you as a reminder that you have an appointment for treatment or medical care at our facilities.
   ♦ To provide you with information about treatment alternatives or other health-related benefits or services.
   ♦ If you are an inmate of a correctional institution or under the custody of a law enforcement officer, Mercy Health will disclose your PHI to the correctional institution or law enforcement official.

B. Payment: Mercy Health will use and disclose PHI about you for payment purposes. The following are examples of how Mercy Health will use and/or disclose your PHI:
   ♦ To an insurance company, third party payer, third party administrator, health plan or other health care provider (or their duly authorized representatives) for payment
purposes such as determining coverage, eligibility, pre-approval / authorization for treatment, billing, claims management, reimbursement audits, etc.

♦ To collection agencies and other subcontractors engaged in obtaining payment for care.

C. **Health Care Operations:** Mercy Health will use and disclose your PHI for health care operations purposes. The following are examples of how Mercy Health will use and/or disclose your PHI:

♦ For case management, quality assurance, utilization, accounting, auditing, population based activities relating to improving health or reducing health care costs, education, accreditation, licensing and credentialing activities of Mercy Health.

♦ To consultants, accountants, auditors, attorneys, transcription companies, information technology providers, etc.

D. **Other Uses and Disclosures:** As part of treatment, payment and health care operations, Mercy Health may also use your PHI for the following purposes:

♦ Fundraising Activities: Mercy Health will use and may also disclose some of your PHI to a related foundation for certain fundraising activities. For example, Mercy Health may disclose your demographic information, your treatment dates of service, treating physician information, department of service and outcomes information to the foundation who may ask you for a monetary donation. Any fundraising communication sent to you will let you know how you can exercise your right to opt-out of receiving similar communications in the future.

♦ Medical Research: Mercy Health will use and disclose your PHI without your authorization to medical researchers who request it for approved medical research projects. Researchers are required to safeguard all PHI they receive.

♦ Information and Health promotion Activities: Mercy Health will use and disclose some of your PHI for certain health promotion activities. For example, your name and address will be used to send you general newsletter or specific information based on your own health concerns.

E. **More Stringent State and Federal Laws:** The State law of Michigan is more stringent than HIPAA in several areas. Certain federal laws also are more stringent than HIPAA. Mercy Health will continue to abide by these more stringent state and federal laws.

i. **More Stringent Federal Laws:** The federal laws include applicable internet privacy laws, such as the Children’s Online Privacy Protection Act and the federal laws and regulations governing the confidentiality of health information regarding substance abuse treatment.

ii. **More Stringent State Laws:** State law is more stringent when the individual is entitled to greater access to records than under HIPAA. State law also is more restrictive when the records are more protected from disclosure by state law than under HIPAA. In cases where Mercy Health provides treatment to a patient who resides in a neighboring state, Mercy Health will abide by the more stringent applicable state law. Refer below for more stringent state law protections in states in which Mercy Health conducts business:

All of Michigan’s state laws regarding its consent requirements continue to apply. Patients in Michigan have more rights of access to behavioral health information. Michigan law also defines a minimum necessary standard for release of mental health information. HIPAA permits us to disclose PHI as permitted by state law. Michigan law allows the disclosure of PHI to state agencies regarding certain medical conditions such as cancer, communicable diseases, and HIV/AIDS.

F. **Health Information Exchange:** Mercy Health shares your health records electronically with Michigan Health Connect, a Health Information Exchange ("MHC"), for the purpose of improving the overall quality of health care services provided to you (e.g., avoiding
unnecessary duplicate testing). The electronic health records will include sensitive diagnosis such as HIV/AIDS, sexually transmitted diseases, genetic information, and mental health substance abuse, etc. MHC is functioning as our business associate and, in acting on our behalf, MHC will transmit, maintain and store your PHI for treatment, payment and health care operation purposes. MHC has a duty to implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality and integrity of your medical information

You have the right to “opt-out” and prevent your health information from being sent to MHC by completing and submitting an "Opt-Out" form to MHC by mail, fax or web-site.

Additionally, you may contact MHC if you have any questions or concern.

II. Permitted Use or Disclosure with an Opportunity for You to Agree or Object

A. Family/Friends: Mercy Health will disclose PHI about you to a friend or family member who is involved in or paying for your medical care. You have a right to request that your PHI not be shared with some or all of your family or friends. In addition, Mercy Health will disclose PHI about you to an agency assisting in disaster relief efforts so that your family can be notified about your condition, status, and location.

B. Mercy Health – Facility Directory: Mercy Health will include certain information about you in facility directory while you are a hospital patient at Mercy Health. This information will include your name, location in Mercy Health, your general condition (e.g., fair, stable, critical, etc.) and your religious affiliation. The directory information, except your religious affiliation, will be disclosed to people who ask for you by name. You have the right to request that your name not be included in Mercy Health’s directory. If you request to opt-out of the facility directory, we cannot inform visitors of your presence, location, or general condition.

C. Spiritual Care: Directory information, including your religious affiliation, will be given to a member of the clergy, even if they do not ask for you by name. Spiritual care providers are members of the health care team at Mercy Health and may be consulted upon regarding your care. You have the right to request that your name not be given to any member of the clergy.

D. Media Reports: Mercy Health will release facility directory information to the media (excluding religious affiliation) if the media requests information about you using your name and after we have given you an opportunity to agree or object.

III. Use or Disclosure Requiring Your Authorization

A. Marketing: Subject to certain limited exceptions, your written authorization is required in cases where Mercy Health receives any direct or indirect financial remuneration in exchange for making the communication to you which encourages you to purchase a product or service or for a disclosure to a third party who wants to market their products or services to you.

B. Research: Mercy Health will obtain your written authorization to use or disclose your PHI for research purposes when required by HIPAA.
C. **Psychotherapy Notes:** Most uses and disclosures of psychotherapy notes require your written authorization.

D. **Sale of PHI:** Subject to certain limited exceptions, disclosures that constitute a sale of PHI requires your written authorization.

E. **Other Uses and Disclosures:** Any other uses or disclosures of PHI that are not described in this Notice of Privacy Practices require your written authorization. Written authorizations will let you know why we are using your PHI. You have the right to revoke an authorization at any time.

IV. Use or Disclosure Permitted or Required by Public Policy or Law without your Authorization

A. **Law Enforcement Purposes:** Mercy Health will disclose your PHI for law enforcement purposes as required by law, such as identifying a criminal suspect or a missing person, or providing information about a crime victim or criminal conduct.

B. **Required by Law:** Mercy Health will disclose PHI about you when required by federal, state or local law. Examples include disclosures in response to a court order / subpoena, mandatory state reporting (e.g., gunshot wounds, victims of child abuse or neglect), or information necessary to comply with other laws such as workers’ compensation or similar laws. Mercy Health will report drug diversion and information related to fraudulent prescription activity to law enforcement and regulatory agencies.

C. **Public Health Oversight or Safety:** The Mercy Health will use and disclose PHI to avert a serious threat to the health and safety of a person or the public. Examples include disclosures of PHI to state investigators regarding quality of care or to public health agencies regarding immunizations, communicable diseases, etc. Mercy Health will use and disclose PHI for activities related to the quality, safety or effectiveness of FDA regulated products or activities, including collecting and reporting adverse events, tracking and facilitating in product recalls, etc.

D. **Coroners, Medical Examiners, Funeral Directors:** Mercy Health will disclose your PHI to a coroner or medical examiner. For example, this will be necessary to identify a deceased person or to determine a cause of death. Mercy Health may also disclose your medical information to funeral directors as necessary to carry out their duties.

E. **Organ Procurement:** Mercy Health will disclose PHI to an organ procurement organization or entity for organ, eye or tissue donation purposes.

F. **Specialized Government Functions:** Mercy Health will disclose your PHI regarding government functions such as military, national security and intelligence activities. Mercy Health will use or disclose PHI to the Department of Veterans Affairs to determine whether you are eligible for certain benefits.

G. **Immunizations:** Mercy Health will disclose proof of immunization to a school where the state or other similar law requires it prior to admitting a student.

V. Your Health Information Rights
You have the following individual rights concerning your PHI:

A. **Right to Inspect and Copy:** Subject to certain limited exceptions, you have the right to access your PHI and to inspect and copy your PHI as long as we maintain the data.
If Mercy Health denies your request for access to your PHI, Mercy Health will notify you in writing with the reason for the denial. For example, you do not have the right to psychotherapy notes or to inspect the information which is subject to law prohibiting access. You may have the right to have this decision reviewed.

You also have the right to request your PHI in electronic format in cases where Mercy Health utilizes electronic health records. You may also access information via patient portal if made available by Mercy Health.

You will be charged a reasonable copying fee in accordance with applicable federal or state law.

**B. Right to Amend:** You have the right to amend your PHI for as long as Mercy Health maintains the data. You must make your request for amendment of your PHI in writing to Mercy Health, including your reason to support the requested amendment.

However, Mercy Health will deny your request for amendment if:

♦ Mercy Health did not create the information;
♦ The information is not part of the designated record set;
♦ The information would not be available for your inspection (due to its condition or nature); or
♦ The information is accurate and complete.

If Mercy Health denies your request for changes in your PHI, Mercy Health will notify you in writing with the reason for the denial. Mercy Health will also inform you of your right to submit a written statement disagreeing with the denial. You may ask that Mercy Health include your request for amendment and the denial any time that Mercy Health subsequently discloses the information that you wanted changed. Mercy Health may prepare a rebuttal to your statement of disagreement and will provide you with a copy of that rebuttal.

**C. Right to an Accounting:** You have a right to receive an accounting of the disclosures of your PHI that Mercy Health has made, except for the following disclosures:

♦ To carry out treatment, payment or health care operations;
♦ To you;
♦ To persons involved in your care;
♦ For national security or intelligence purposes; or
♦ To correctional institutions or law enforcement officials.

You must make your request for an accounting of disclosures of your PHI in writing to Mercy Health.

You must include the time period of the accounting, which may not be longer than 6 years. In any given 12-month period, Mercy Health will provide you with an accounting of the disclosures of your PHI at no charge. Any additional requests for an accounting within that time period will be subject to a reasonable fee for preparing the accounting.

**D. Right to Request Restrictions:** You have the right to request restrictions on certain uses and disclosures of your PHI to carry out treatment, payment or health care operations functions or to prohibit such disclosure. However, Mercy Health will consider your request but is not required to agree to the requested restrictions.

**E. Right to Request Restrictions to a Health Plan:** You have the right to request a restriction on disclosure of your PHI to a health plan (for purposes of payment or health care
operations) in cases where you paid out of pocket, in full, for the items received or services rendered.

F. **Right to Confidential Communications:** You have the right to receive confidential communications of your PHI by alternative means or at alternative locations. For example, you may request that Mercy Health only contact you at work or by mail.

G. **Right to Receive a Copy of this Notice:** You have the right to receive a paper copy of this Notice of Privacy Practices, upon request.

VI. **Breach of Unsecured PHI**
If a breach of unsecured PHI affecting you occurs, Mercy Health is required to notify you of the breach.
